## Customer Reviews

Helpful to baptist members who need understanding and directions.Hiscox Standard Baptist Manual

Clearly, the individual who wrote the review prior to this one is a charismatic believer. The evidence is in the act 2:38 approach which most charismatics so often bring to life in a discussion. Baptism does not save you. Its an outward reflection of an inward change. The thief on the cross and those who weren't baptized but written in the hall of faith are with the Lord. This is not an apologetic nor a religious banter that I wish to go back and forth on but simply an attempt to speak truth and that is that this book isn't erroneous at all. Its written from a dispensational view which very well may be different from the charismatic ideology and theological school of thought.

I bought the book to study baptist doctrine and it clearly stated that.I found that this doctrine being man made does not match the truth of the Bible.The bible teaches salvation through baptism, hiscox teaches you are saved by belief and baptized in order to show you have already obtained salvation.Saul was not saved before baptism. (Acts 9; 16:22)Acts 2:38 "repent AND be baptized for

the remission of sins."Mark 16:16 "he that believeth AND is baptized shall be saved"Baptist doctrine is doctrine of faith only, and no biblical foundation. The bible itself says not by faith only. (James 2:19-24)The book itself served its purpose to study doctrine. I would not recommend it because it is not biblical.
