Young students here on Guam where I teach and in Nepal where I volunteer are enchanted by this simple to understand yet entertaining story. They are eager to try to read it themselves. I would recommend this book for primary level students.

Delightful story with great illustrations. My daughter and I laughed aloud with the text, and agreed that its a great book to learn to read with.

We stumbled upon this book at our local library. My then 5 year old daughter loved it so much we decided to buy our own copy (from , of course). My daughter is now almost 8 and she still cackles when she reads this book. Fun and simple story, and despite being about a ghost, not at all scary.

another cute story.
