Customer Reviews

This book is a "must have" -- the print and drawings are really nice. Each page has pearls of wisdom in it -- would make a nice gift for a special friend. I had never seen it before, but a friend showed me her copy and I ordered it right away. There are different sections for men and women as well as for teens and other situations as well. This book is a real blessing.

This is my daily go-to-book. I loved that it has "subjects" that you could turn to and immediately find the verse that applied to your thoughts or feelings! These are the verses you need to commit to memory! A great book!.

I received this book and was very impressed! Quality appearance and lovely presentation. I ordered

my copy from another provider but bought another for a friend and saved quite a bit of money buying it from you! I would definitely recommend this book to anyone looking for a devotional book!!
