Let My Babies Go: A Passover Story

Synopsis

Passover is a dumb holiday! declares Angelica. Not so, cries Tommy's Grandpa Boris. Before long, the Rugrats are caught up in Grandpa Boris's retelling of the Passover story, with Angelica imagining herself as the first female pharaoh -- and Tommy as Moses, pleading with her to "Let my babies go!" In the end, everyone agrees that Passover is a wonderful time for families to celebrate together. Pass the matzo!

Book Information

Customer Reviews

Who can resist the story of Pesach retold with Angelica as Pharaoh and Tommy and his pals as the Jews? Along with the matching video, it taught my 3 year old what the holiday was about through his favorite characters. It also deals with the plagues in a not too scary way. If you're an adult who secretly enjoys the Rugrats (as I am), and you want to teach your child about the holidays, this book is priceless.

Great book for small children and the book arrived in the promised pristine condition! Wish they would bring the show back!

We couldn't find our original copy and my kids were upset. Bought this one, now we have it again
