Love the look. My son picked this out for his bible, and upon inserting things in all the compartments so he'd be ready for church on Sunday, the pocket ripped when he unzipped it. I just wish it was made a little bit better.

My hubby got a new bible for Christmas and he needed a cool bible cover. This is great. It has a pocket that he can keep an extra pair of readers in. This does not look cheap. It is a really nice cover.

Bought as a Christmas present and was loved. So far has held up wonderfully for my cousin and durable enough that when his two small children get a hold of it they don't damage the bible he uses when he preaches.

Bought this case for my fiance as he is going through a confirmation process and Bible study at our church. He had only ever seen my girly covers before. He loves it. And when I tabbed his Bible and put in case, seemed like it was made of good material.

I bought this Mossy Oak bible bag as a gift to my husband to go with his Duck Commander bible. I was very happy when it arrived. The quality is great and it is well made. I a few different compartments which I love because he can carry a notepad, pen, and other things he may take to church or bible study and have them all in one place. The carrying handle is also a nice feature. It holds his 10" bible and it fits perfectly. I'm glad I chose this bag because my husband loves it and is very happy with it.

How can you go wrong with camo.....real strong material.....i have a really thick bible was a little worried that it might not fit, got the bible cover few days latter, fits like a glove. It has plenty of storage space for my highlighter pins pads for when i need to jot something down, one thing i thought was very important.....not very loud when you open itjust don't recommend dropping it in the wood's might not find it. Good product good job i give it 5 *****

My grandson loves it I wanted to get something that he would think with cool he's nine years old and it was perfect for him
