The Discerning Of Spirits

Synopsis

The gift of discerning of spirits is a powerful weapon in the Christianâ™s arsenal! When God calls us into ministry, He equips us. God has called all of us into spiritual warfare and spiritual battle. His Church will be a militant Church, and the âœgates of hell shall not prevail against her.â • The weapons God supplies us with are not carnal or fleshly weapons, but spiritual ones, they are âœmighty through God to the pulling down of strong holds.â • We are equipped by God for spiritual warfare through the gifts of the Holy Spirit mentioned in 1 Corinthians 12. God has said that these are the channels through which His power will flow, the avenues through which His Holy Spirit will operate. Chief among these gifts for the ministry of deliverance is the gift of discerning of spirits. We must rely upon the Holy Spirit for the ministry of deliverance and nothing else, not the arm of the flesh or the voice of demons. Frank Hammond explains the application of this gift to the believer, and provides examples of how it has worked in his own ministry. He concludes with a prayer of impartation for the reader to receive this gift and the gifts of knowledge, wisdom and faith.

Customer Reviews

I am always impressed with Frank Hammond's work. It is very important that each Christian is a warrior....especially in this time of our lives. One can see what spirit is controlling their friends, family, or even themselves. We need more material like this in our churches!

Discerning of spirits has been a request of mine from God for some time. This book explains it well

with simplicity & the anointing of God! Loved it! Love everything from these folks! Their writings are an awesome benefit to the Body of Christ in healing & deliverance. They've been a tremendous blessing!

Excellent! Very concise, pulls no punches about NOT speaking with demons, but relying on the Holy Spirit to help us help others. The only section that needed more clarification was towards the end when he wrote about territorial spirits. I believe it to be helpful when the Holy Spirits reveals what spirits are over neighborhoods, towns, cities, regions, countries, continents; but, nowhere do we see Jesus, any apostle, disciple, prophet, nor anyone in the Old Covenant scriptures bind, cast these types of spirits from their assigned territory. If we could do this, we would see it in the scripture and this would shutdown places like brothels, etc...we only have dominion over ourselves and our homes, scripture backs this up. Now saying that, it is quite helpful to know by revelation what type of spirits are over these areas, to understand why the people act and think the way they do.

Very good book, and it's very easy to understand.

I found this to be a very easy read. Frank Hammond does a nice job of laying down the basics and the crucial need for the Holy Ghost to be in charge at all times - not the flesh or voice of demons. He goes by the "BOOK" - i.e. the Bible. Too much is going on in the Church today that colors outside the lines and lacks testing of the spirits. I appreciate that he points out that some things are physical and not demons so there is a nice balance throughout the book imo. AND of course discernment is needed to know which is which :) I think this is a simple and well written treatise for anyone - esp new believers. The author is clear that seeking for and receiving the baptism in the Holy Ghost is needed before praying the prayer of impartation before you the reader begin to move in this gift and the several other gifts that complement this. Highly recommended!

This book breaks down the basic biblical principles and concepts of the spiritual gift of discerning of spirits with simplicity.

Awesome book...Frank Hammond's book transcends time. Great price.

This book contains much information. I learned a lot from it!
