Santa Biblia--Versi3n Reina-Valera: Holy Bible--Reina-Valera Version (Reina Valera Bible) (Spanish Edition)

Synopsis

Siguiendo el modelo de la edición económica de Barbour de la versión King James (más de dos millones de copias vendidas), Santa Biblia contiene el texto del Antiguo y Nuevo Testamentos de la versión Reina Valera 1909, junto con un plan de lectura de 365 días y una explicación breve del plan de salvación. Patterned after Barbour's bargain edition of the King James Version (more than two million copies sold), Santa Biblia features the entire Old and New Testament text of the 1909 Reina Valera translation, along with a 365-day reading plan and a brief explanation of the way of salvation.

Compre esta Biblia sabiendo que tenia un formato bien sencillo pero no pense que la gramatica iba a ser tal. Nunca vi tantos errores gramaticales en un libro y mucho menos en una Biblia, no me lo esperaba. Compre 12 Biblias para ser dadas a las visitas de la iglesia y fue grande mi sorpresa cuando un dia en el servicio vi tales errores. Todas las Biblias estan asi y es muy incomodo al leer, creo que esto fue traducido por algun sistema pero no revisado por una persona. Le recomendaria a los editores que volvieran a revisar las Biblias y le hicieran los arreglos necesarios. This Bible has several gramatical errors and is very uncomfortable when reading. I dont recommended it, the price is really good but is better to pay more and have a good understanding of the Word of God.

¡Aguas! Esta Biblia es la versión 1909. Usa términos españoles MUY antiguos. Por ejemplo, en unos versículos refiere al corazón como "riñón"; y a la salvación como "salud". Desafortunadamente, compré 5 para regalar a unos amigos en México, y no las puedo usar. ¡Beware! This Bible is the 1909 version. It uses very antiquated Spanish terms. For example, in some verses to refer to the heart, it uses "kidney," and for salvation it uses "health." Unfortunately I purchased 5 to give away to friends in Mexico, but I can't use them.

compre esta biblia pero no lei los comentarios con los cuales estoy completamente de acuerdo, los errores y la impresion insignificante, quise tener una para hacer una compra posterior de unas 15 biblias, pero la verdad no vale la pena, el envio me costo mas del precio de la biblia, en total US\$6.99 y ahora no se que hacer con este libro, gran ERROR NO LEER LOS COMENTARIOS DE LOS QUE YA COMPRARON.

I bought 50 of these bibles for a church that was giving them to a prison. They are cheap, which was a huge plus. The bible does not have all the good references that other bibles have... but what that does is makes it smaller. I mean, this bible is pretty thin! that's a great thing! also, the text are not too small... i would say somewhere between 10-12 font. if you have seeing problems... i would definitely not recommend this bible, but it's perfect for the general public.

I purchased two different Reina Valera Bibles on the same day to get an opinion from a Hispanic Pastor. He chose the "other" bible because the print on yours was too small.

Not only is this Bible in perfect Spanish, but I am surprised by how enlightening the Spanish translation of the Bible really is. In many ways, it has far more depth of meaning than the one in English, and it is far more concise at the same time. I recommend it to Spanish speakers and English speakers alike.

Although the price is excellent, you need to expect especially small print size and very thin pages. I actually thought this was a New Testament only since it was so thin. But it is an entire Bible. It would have helped if the write-up had indicated that print size is so very small.

No me gusto esta biblia porque solamente tiene 66 libros. y yo buscaba la biblia que contiene creo 73 libros. Yo fui precisamente a buscar algo sobre el rezar a las animas en Macabeos y vaya

sorpesa !!!No estaba.....Esta biblia es protestante asi que han sido suprimidos 6 libros.Yo personamente la vote a la basura,,puesto que no puedo regarlala ni donarla pues seria un regalo incompleto.
